

# Magnificent Seven

FUCHS' core lubricant range for automotive workshops provides broad application coverage to help consolidate your lubricant stocking requirements.

**GERMAN  
TECHNOLOGY**

**AUSTRALIAN MADE**

# FUCHS' Magnificent Seven is a collection of engine oils specifically designed to provide better performance across the Australian and New Zealand markets.

With FUCHS' high level of OEM approvals and advanced technology you can rely on for reliability for their vehicles. Whilst at the same time allowing you to cut costs.
