## McFall Conference 2023

We look to come together as a team every year to celebrate and recognise the staff, and reflect on the year that has been. All staff and their partners are invited, and this year we came together in Rotorua. We celebrated years of tenure, along with acknowledging exceptional performance. Below is an image of our Operational Managers being recognised for their outstanding contribution in what has been an extremely challenging year. In the evening we took some time for a bit of fun, Karaoke isn't natural for everyone, but after several repeated requests to perform, some of our senior leaders took the stage!

## Catching up with Luuka Jones

Luuka Jones is a New Zealand slalom canoeist who has competed at the international level since 2006. We caught up with Luuka recently .....

"We have reached the end of our 3-week block in London. Overall, it was a fantastic camp, and I am glad we got to spend valuable time here at the World Champs venue. I noticed big improvements in my level of skill and comfort on the water compared to the May camp and I feel I have a very good grasp of many moves and features. I have loads of video footage to look back on to remind myself of what works (and what doesn't) and will have more time on the venue in the lead into the world champs. The programming and session content over the camp was spot on. I was very pleased to handle a higher training volume, whilst maintaining quality on the water. As you saw in Julia's summary, I had my biggest training week since February 2022, and I was proud of this milestone. The feeling that I was training hard and managing the load, without having to adjust the plan meant a lot." "We will continue to follow Luuka's progress in the lead up to the world Champs – her work ethic and determination is inspiring. After missing all of 2022 with long Covid Jones is making her way back to the top of the sport."

We are a proud sponsor of Luuka

### WĀHINE IN FORESTRY

Wāhine in Forestry is a professional development group that helps women in the forestry sector further themselves personally and professionally.

New Zealand's eight Wood Councils have joined forces to launch the joint forest education organisation – Discover Forestry New Zealand. Work around the country has already been undertaken with school engagement programmes Wood is Good (primary), and Grow Me (secondary).

Discover Forestry provides local workplace connections with professional foresters and members of the forest sector for young people, information and field trips, school presentations, careers materials, and student inspiration.

## Fuelling Kapiti

Fuelling Kapiti has been servicing the Kapiti Community for over 20 years, and although it's been rebranded a few times it's always been seen as the local fuel stop, whether you're on your way home from the shops or on your way to the beach. It's open 24 hours for your convenience, and did you know it takes our very own McFall Fuelcard? Now that's convenient! Plus, The McFall Fuelcard gives you access to New Zealand's most comprehensive network of BP Retail sites – 230 Service Stations, 98 of which have Wild Bean Cafes, plus 58 Truckstops. It also includes 116 G.A.S site, where the same special Fuelcard rate is available. Invoices can be arranged to suit your needs whether weekly, fortnightly or monthly.

Contact Ben Aoina, your local Wellington and Kapiti Representative, and ask about our Fuelcard or any of our other services.
