

BP Award

We are thrilled to announce that we have been awarded the "Care for Others" award at this year's BP Conference. In the words of BP, "The Care for Others award is recognition for Dealers / Distributors who show and demonstrate care in the local community through sponsorship, charitable initiatives, and community service." This encapsulates our mission and values. We Strive to demonstrate a real passion and ongoing commitment to helping others within our communities. From sponsoring local events and supporting charitable causes to actively participating in community service, our efforts are rooted in a deep-seated belief that giving back is not just a responsibility but a privilege. We are incredibly proud of this recognition and motivated to continue our community focused initiatives with renewed vigour and enthusiasm. Thank you to BP for this honour and to our community for your continuous support. Together, we will keep fueling positive change and making a lasting impact.

Upcoming Olympic Excitement

We are thrilled that Rebecca Petch has been named to the New Zealand track and road cycling team for the upcoming Paris 2024 Olympics. This marks Rebecca's second Olympic appearance, following her participation in BMX at the Tokyo 2020 Games. Rebecca, we will be rooting extra hard for Rebecca at the upcoming games as she is the daughter of Barry Petch a longtime beloved driver at mcfall's. Rebecca shared her excitement and gratitude on Facebook, stating, "I am privileged and proud to be named for my second Olympic Games. Less than two years ago, when I decided to step away from BMX to give track cycling a go, the unknown was scary, and although one of the hardest decisions I've made, it's one I'm glad I made." Her journey from BMX to track cycling has been filled with challenges and rewards. Rebecca's dedication and passion for cycling have driven her success, and she has thrived in her new discipline. "It's been challenging but rewarding at the same time. I love riding my bike and alongside some amazing friends. On to Paris we go," she added. Rebecca's determination and resilience inspire us all, and we are incredibly proud to support her as she prepares for Paris 2024. Join us in cheering for Rebecca Petch as she aims for success in Paris. We are confident that her hard work and spirit will lead to an outstanding performance on the world stage.

Thank You

We recently carried out a Customer Engagement Survey in March this year where we commissioned Kantar to help us. We would like to thank all our valued customers who participated in the survey. The feedback we received is incredibly valuable to us and has helped us establish areas that are working well for McFall Fuel and areas that we can improve on. Overall, we were happy to see high levels of satisfaction amongst our customers, with 89% of respondents saying they were either "satisfied" or "very satisfied" with McFall Fuel as a provider. We would also like to congratulate the 3 winners of a \$500 Prezzy card each. Once again, we would like to thank all of our customers that participated. The feedback was invaluable and will help us ensure we continue to meet all of your needs as your premium service provider.

Healthvision Festival of Disability Sport

McFall Fuel proudly sponsored the Healthvision Festival of Disability Sport 2024, a vibrant and inclusive event that took place over two days at Mercury Bay Park, Club Mount Maunganui, and Sulphur Point. The festival brought together athletes, families, and supporters for a weekend filled with sports and activities, promoting community and inclusion. Highlights included a significant increase in participants in Sailability and Tri Games, and an exciting collaboration with the NBL Basketball Team, WHAI. Wheelchair basketball players showcased their skills during halftime at a WHAI game, followed by an "All Stars" game featuring WHAI players, wheelchair basketball athletes, and sponsors. Structured "Have-A-Go" sessions introduced new activities like Flag Football and Hockey Without Limits, while Boccia saw great participation, enhanced by the presence of NZ Boccia Player Troy Robertson and Paralympian Stacey Roche. Sponsors, including McFall Fuel, engaged directly by participating in wheelchair rugby and basketball games, adding to the event's dynamic spirit. Healthvision's team of volunteers and physio's provided essential support throughout the weekend. The festival concluded with a successful Awards Dinner attended by 130-140 guests, featuring a special Order of Merit award from Paralympics. McFall Fuel is honoured to support this inspiring event and looks forward to future community engagements.
