JANUARY 2015

2014 DRAWS TO A CLOSE WITH A WIN

As 2014 drew to a close and we began to reflect on the many successes over the year the final flourish came with the title for *The Best Performing Haulier Company—Group 2 Wiri*.

Operations Manager Paul Clampitt said, “I would like to thank everyone for recognising how important it is for us as a team to always deliver the highest level of professionalism we can. From the day to day activities on site of a dedicated professional driving team at WOSL, through to all those people that maintain the systems and processes that McFall Fuel have in place, allows us all to accept this award with the pride and confidence we deserve.” The annual HSE award is judged by personnel at the Wiri Oil Terminal and recognizes outstanding and consistent performance.

This was a really positive way to end a year which had seen a great deal of effort and energy put into HSE. The challenge now for the team is to make sure that high standards are met throughout 2015.

BP's LONG TERM SPONSORSHIP OF SURF LIFE SAVING NEW ZEALAND

BP NZ began their sponsorship of Surf Life Saving in 1965 and the partnership is now recognized as quite unique given its longevity, spanning a period of 50 years. The 250 plus inflatable rescue boats which are used in over 50% of the rescues are a key contribution made by BP to the 73 Surf Life Saving Clubs based around the country. The IRB's are ideally suited to our fast changing and unpredictable surf conditions and are often called upon during floods and other emergencies. The volunteer lifeguards who patrol our beaches working to keep beach goers safe are there to protect us from the unexpected conditions that can occur at anytime. Most of us live within an hour of the coastline and being able to enjoy time with our families at the beach in the hot summer months is great fun but we also need to thank those like BP who provide sponsorship support to help keep us safe.

IMPROVED FUEL CARD OPPORTUNITIES

McFall Fuel has a proud history when it comes to their bulk delivery service for customers and while having had the ability to offer fuel cards this has never been a strong sales focus, however going forward, “we believe that we are able to offer our current and new customers the opportunity to have the convenience of a BP fuel card to support their bulk service at a better price,” said Managing Director Allan McFall.

The BP network has 205 plus service stations 82 of which have Wild Bean Cafes, 65 truck stops, and over 100 GAS sites from Cape Reinga to the Bluff where the same discounted pricing is received. The card offer provides benefits such as accurate consumption analysis and monthly reporting as well as the protection such as PINS and designated limits. Contact us on 0800 623 255 or talk to your sales rep to find out more about the offer.

PIRONGIA—BOXING DAY RACES

2014 saw a crowd of 8000 plus turn out at the Pirongia Boxing Day Races that had something for everyone. The Bradfields Farm Grandstand illustrates just how well prepared you need to be for a day filled with so much activity. While the horses in

the birdcage wait patiently for their chance to compete with the punters checking them over.

The McFall Fuel Maiden which was run over about 1600 metres saw Graeme and Debbie Rogerson's Apache Moon win with Sahkee's Star second and Panamba third.

WIN ONE OF FIVE BBQ'S BEING OFFERED BY FUCHS LUBRICANTS IN THE MCFALL FUEL SUMMER PROMOTION

The McFall Fuel Team will be running a BBQ in Morris McFall's Museum on Thursday, February 12. By being there you will go into the draw to win one of the five BBQ's. This is your chance to see tractors, stationary engines and cars drawn from the past, restored and each with their own story.

RSVP by February 2 essential.

PERIOD COSTUMES & ACTIVITIES ON SHOW

The ladies in their refinery and the impeccably dressed man on the penny farthing attracted a great deal of interest from the large crowd.

REUSE & RECYCLE—Collecting the empty containers is another way of helping our customers.
